Hiroomi Sugawara

"Our Hiro" Hiroomi Sugawara

Hiro's influence at MCHS has been one of the highlights of this year. Last year we applied to the American Field Service International Scholarship for a foreign student. They, in turn, contacted Hiro, who had been accepted by this scholarship program. Hiro came to the United States from his hometown of Yonezawa, Japan. In a very short time, the students had accepted Hiro because of his friendly personality. He has participated in various community and school activities. The chorus class elected Hiro to preside as their President for the year. One of his main activities in chorus was the school musical "Brigadoon." Besides chorus, Hiro has shown his sportsmanship by participation in cross-country and his attendance at sports events. Although we will miss Hiro, we hope he has gained as much in his stay at MoCoHi, as we have gained from knowing him. Good luck, Hiro!

"I want to give you a brief description of the Japanese high school life. My hometown, Yonezawa, is a very old town where the ancient and the modern exist side by side. Yonezawa has six high schools. Of the six, my high school is for entering the University or colleges and has some 850 students. We have one month summer vacation and about three weeks winter vacation. And we have to go to school on Saturday. I just envy American Student's life.—In Japan there are about 500 colleges. These colleges have their own entrance examinations. In some good colleges, just one out of twenty-five applicants can pass the examinations. So there are many special schools called "Preparatory Schools." Students who graduated from high school but failed to the college entrance examinations got to these schools. There are many students who go to these schools for a year or two, three until they can pass the tests of the college which they want to enter. They are serious to enter colleges.—In the worst case, students who failed in the entrance examinations commit suicide. Every year this tragedy happens in Japan. The reason is simply due to that the students are too many for the number of colleges. Though you may think it is ridiculous, this is a miserable actual condition of Japanese high school students. I myself have to take the college entrance examination in Japan next year, but it is one of my unforgettable, wonderful experiences that I could study with you American students during my high school life."

ADMINISTRATION AND STAFF

There is a great deal of talk about school spirit, but these are things which do not happen spontaneously. They must be developed and created out of the interest and enthusiasm of the students and staff. Fires can't be made with dead embers, nor can enthusiasm be stirred by spiritless people. Enthusiasm in our daily work lightens effort, and turns labor into pleasant tasks.

The student body and staff are to be congratulated for the spirit and enthusiasm shown during the 1963-1964 school year. Keep up the good work and always remember the theme of this fine annual.

O. A. Brunsvold—Superintendent

It is with great pleasure that I respond to the request for a "principal's message." As each of you receives this book, your reaction will be to thumb quickly through and to seek personal messages from your friends and classmates. This is as it should be.

Of greater importance is the fact that this book is a pictorial record of your year in high school. Perhaps this is the happiest and most carefree time of your lives. As you grow older and the bright memories of this year fade, this book will serve to refresh you.

It is my sincere desire that, in the years to come, you will look fondly back at this year and this school as a good thing and a good place for you to have been.

UNDERCLASSMEN

I would like to take this space to write about our school spirit. Although part of school spirit and sportsmanship is supporting the athletics, it does not stop there. To have school spirit we must have pride in our school and if we have pride in our school, we will naturally support its events.

I am sure you will agree with me when I say that we have the best school in the league. It is up to the underclassmen to continue the good work.

ATHLETICS

SCHOOL SPIRIT

School spirit is a necessary part of any good school. School spirit, a vital asset in the athletic program, is also vital in the entire school program.

School spirit is the attitude you have and show toward the functions and activities of the school. Therefore, good school spirit would be—you, as students, taking an active interest and part in the functions and activities of the school, to have a burning desire, and to do all you can so that the school can succeed in all its functions and activities.

If this could be accomplished, our school spirit would be at its maximum, and our school would certainly be a better school.

STATE TROPHY CROSS-COUNTRY

Our Cross-Country team returned home this year with its second State Championship in two years of service for MO CO HI. In addition to this these boys had a very good season's record, placing first at Rifle, Meeker, Glenwood and Boulder, second at Craig, and fourth at the Tri-State Meet at Laramie.

VARSITY WRESTLERS: Dan Kline, Roger Vigil, Burkie Wynkoop, Tom Carson, Kelly Trujillo, Larry Beaver, Bruce McKinstry, Delbert Trujillo, Cleve Preece, David Dean, Frank Stefoni, Jim Carver.

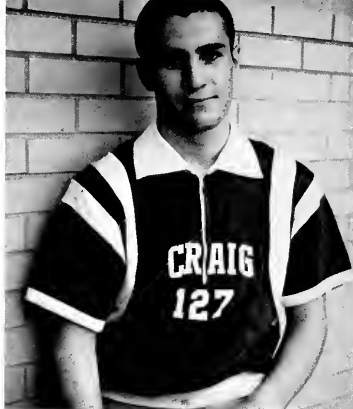

WRESTLERS: BACK ROW: David Dean, Jim Carver, Kelly Trujillo, Frank Stefoni, Ray Green, Coach Deyo, Nick Lopez, Mike Carson, Manager; Phil Palmer, Coach Jerke, Walt Proctor, Delbert Trujillo, Cleve Preece, Bruce McKinstry. WRESTLING

WRESTLING

The Bulldog wrestlers had a short but good season this year. They began by taking third in the Steamboat Invitational Tournament, behind Rangely and Steamboat. Later in the year the Bulldogs gave Steamboat the biggest scare they've had for a long time in league competition, but finally bowed to Steamboat Springs 24 to 18.

In the District Tournament at Meeker, the Bulldog grapplers finished a close second, only 18 total team points behind Steamboat Springs. Craig also had four first places in the tournament, more than any other school. Five Bulldog wrestlers went to the State Tournament in Aurora. Two of these placed—Kelly Trujillo won first and Jim Carver won third. These wins gave Craig sixth place in the State.

MUSIC

The MoCoHi Band is the most colorful and active organization of our school. Composed of one fifth of the student body, it is also the largest. It has the distinction of having the most school-minded and academically inclined students.

The vocal groups also represent school spirit and the teamwork needed for success. But I, naturally, feel that the band is the heart and blood stream of School Spirit.

ACTIVITIES

This year, I believe, has been very prosperous activity-wise. You will remember how we started the year off with our State Champion Cross-Country Team, our Conference Champion Football Team, and our Band which received high honors at Fort Collins. These things sort of set a goal for all of our activities the rest of the year and I believe we met them all very well. Now it is up to the underclassmen to keep the good name of ol' No Co Hi going strong.

BASKETBALL

We can truly say that the final three weeks of Basketball were the greatest Mo Co Hi has ever seen. The final two games were split with a win over Rangely and a narrow loss to Carbondale. At the district tourney the Bulldogs had the desire to win all the way. The strong team defeated Meeker in the first game and then rolled past Glenwood to become the Conference Co-Champions and the district Champions. At state the Bulldogs seemed to have everything it took to become state champions. In the first game the Bulldogs defeated a strong Del Norte team and then in the Semi-Finals the Bulldogs were defeated by the team that went on to become the Colorado State Champions in Class A. Basketball should have a shining future here at Moffat County High School with the foundation these boys set.

STATE CHAMPIONSHIP TRACK

The ultimate goal for us has been accomplished. The real difference between winners and champions was demonstrated throughout this year. This team was composed of three fine Coaches and a group of boys who desired to do more than just win. Moffat County High School will long remember the example they set for the teams to follow.

FFA - STATE CONVENTION

IN CRAIG - MAY 31, JUNE 1 AND 2

The Future Farmer's Organization is a particularly busy one. Many of its activities occur outside of school and out of school hours. The Craig Chapter played host to the State Convention May 31, June 1 and 2. For the recreation of the State delegates a rodeo was held May 31 with a trophy as a prize.

FFA gave the following trophies through the summer and fall: farm mechanics, beef and sheep breeding and fattening, records and wool clips. The FFA will take their top entries to the State Fair in Pueblo.

Delegates to State Convention in Craig in 1964. Burton Clements—new President, Wayne Peed—new Secretary.

Display of Blue Ribbon Winners—County Fair in 1963. Wayne Peed with Mike Duzik's Animal, Sparky Seely and Burton Clements.

Delegates to 1963 Convention in Loveland—Sparky Seely, Burton Clements, Wayne Peed, Phil Bowden, John Pleasant.
